

Literacy and early learning drive long-term outcomes, but far too many children lack access to the tools and support they need from the start.

UNITED IS THE WAY WE CREATE BRIGHT FUTURES

By 2030, United Way of Story County will deliver **12,500** high-quality early childhood education opportunities.

93% of children served met/exceeded child development expectations

221 children enrolled in slide scale child care spots

68% of Story County third graders meet reading proficiency

343 students reported academic success
